

Early College High School Initiative

Early College High Schools

Since 2002, the partner organizations of the Early College High School Initiative have started or redesigned almost 160 schools in 24 states.

Through the initiative's continued efforts, the partners will ultimately open about 250 small schools, serving over 100,000 students annually.

ALABAMA

Selma Early College High School

Selma, AL
Year Opened: 2004
